Since the BCPM is an outdoor venue, BCPM Management reserves the right to close the Market (with or without prior notice) if it is determined that severe weather conditions could compromise the safety of vendors and shoppers. Please note the following about what might cause us to cancel the BCPM due to weather.

- The BCPM will remain open unless an "Extreme Weather Warning" is issued from NOAA's (National Oceanic & Atmospheric Association) National Weather Service.
- If an "Extreme Weather Warning" is issued and a vendor decides to cancel, a 48-hour notice is unnecessary. The vendor will be entitled to a credit for that market.
- If unexpected extreme weather occurs and the "Extreme Weather Warning" is issued from the National Weather Service the day of, or during the BCPM and we cancel the market for the whole day, all vendors will be credited for that market.
