

ADDENDUM NO. 2  
RFP NO. 2017-04 REPAIR DAMAGED BEACH ACCESSES -HURRICANE MATTHEW

February 9, 2017

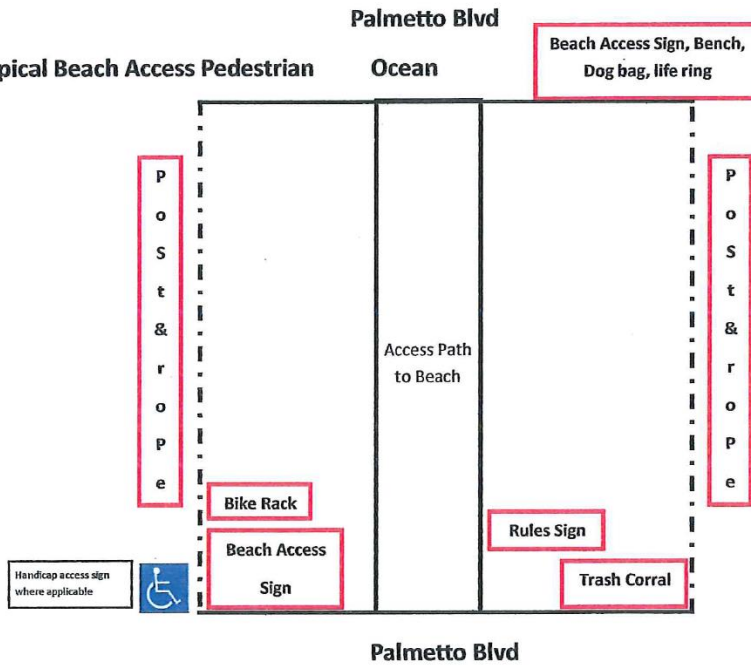

Changes have been made dealing with the waste receptacle corral. They are going to be constructed as currently exist but without the doors. A schematic follows.

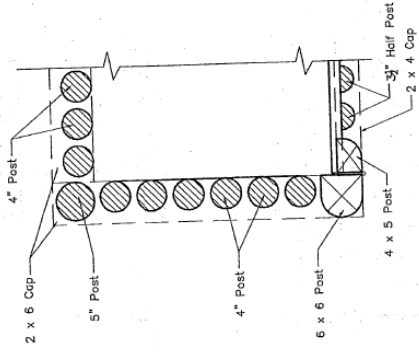

Also placement of the amenities will be according to the design below.

### Typical Beach Access with Parking

### Typical Beach Access Pedestrian
