This Special Town Council Meeting was properly advertised and met all requirements of the Freedom of Information Act.

**Present:** Crawford Moore, Mayor; Jerome Kizer, Robert Renner, Jay Watts (*via conference call*), Joey Bagwell, Councilmembers. *Quorum of Council Present.*

**Call to Order**

Mayor Crawford Moore called the meeting to order at 11:00 a.m.

**Agenda Item**

Proposal for Engineering Estimating Service for the Lybrand Street, Docksite Road, Yacht Club Road, Edisto Street, and Lee Street Bike Paths with Davis & Floyd for the South Carolina DOT Transportation Alternatives Set-Aside Program (TAP) 2024 Round 1 Letter of Intent. Council was asked to consider and approve the professional services cost estimate for the South Carolina DOT Transportation Alternative Program (TAP) Letter of Intent for a lump sum of \$6,500 to be paid from General Fund Contingency which has a balance of \$468,406. Mr. Kizer made a motion, seconded by Mr. Renner, to approve the professional services cost estimate for the South Carolina DOT Transportation Alternative Program (TAP) Letter of Intent for a lump sum of \$6,500.

Town Administrator Aakhus gave an overview of the proposed project. Due to the Town having less than 5,000 residents we may qualify for no-matching funds, which is customarily 20%. In order to apply for the grant, the project cost estimate must be in excess of \$400,000, and we must submit an estimate from an engineering company, which Davis & Floyd will provide prior to the deadline date of submission.

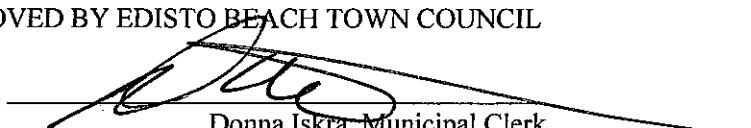

Following discussion, the motion on the floor was approved anonymously.

**Adjournment**

There being no further business to discuss, Mr. Kizer made a motion to adjourn. Mr. Renner seconded the motion, which was approved unanimously.

The meeting adjourned at 11:16 a.m.
