AN ORDINANCE
TOWN OF EDISTO BEACH

To amend Section 82-32(c)(1) related to provision of temporary use of the Town water system to contractors to amend the fees therein.

BE IT ORDAINED by the Town Council of the Town of Edisto Beach in council duly assembled:

- 1. Section 82-32(c)(1) of the ordinance of the Town relating to temporary use of the water system is amended to change the fee to \$75.00 and per gallon fee to \$5.00. When amended the subsection shall read as follows:

(c)(1) If a meter is available, the applicant shall pay \$75.00 for not more than five days and \$5.00 per 1,000 gallons or fraction thereof of water used upon notification of the Town that the construction is terminated. If the meter is used more than five days, the applicant shall pay \$75.00 for each such five-day period or portion thereof.

- 2. This ordinance shall take effect upon adoption by the Town Council of the Town of Edisto Beach.

A GUIDE TO SURF FISHING ETIQUETTE & SAFETY

The Town of Edisto Beach wants all of our citizens and visitors to enjoy the beautiful beach. This is made possible by following a few simple rules and being respectful.

BE RESPECTFUL

Anglers: Pay attention to swimmers, sunbathers and beach goers, most have little knowledge of fishing and do not know when they are in danger or in your way. Give them plenty of space. If you can, limit fishing to areas of the beach and times of day when other beach activities are off peak.

Beach Goers: Please leave 100ft on either side of the angler to be safe. Hooks are sharp! Keep an eye out for lines going into the water when walking on the beach. Don't swim near schools of bait fish.

Remember we are all equally entitled to enjoy this public beach

FISHING ROD PLACEMENT

Place fishing rods as close to the water's edge as possible, so they do not obstruct the walking beach or snag a passerby. We do recommend the use of highly visible lines. Hooks in the foot are no fun for anyone.

Rod spacing is important as well, please share the beach

DISPOSAL OF FISHING DEBRIS

Please remove all of your trash and left over bait when you leave the beach as it will attract birds, rats and pets. We do not want pets getting sick. Do not place it in the beach access cans. Disposing of bait in the ocean is not acceptable either as it usually washes back ashore. Please don't clean your fish on the beach.

Shark Chumming is Prohibited

Requirements: South Carolina Salt Water Recreational Fishing License & no more than two rods per person

SURF FISHING TIPS

THE TYPE OF FISH YOU CATCH WILL DEPEND GREATLY ON THE SIZE OF YOUR GEAR.

SMALL TO MEDIUM RIGS:

You can use smaller rigs for saltwater "panfish" (spot, croaker, whiting, and even pompano).

For these fish, use a small rod (6 to 7 foot spinning rod with 8 or 10 pound line) and small (less than 1/2 ounce) weight, with a hook size of about 2 through 6 with small baits. Pieces of shrimp, mole crabs, or small pieces of cut mullet work well.

You can also fish for small fish with a big surf rod (up to 10 or 11 foot) with 2 to 4 ounce pyramid sinker to keep your bait from moving around too much in the surf.

To target flounder, trout, or small red drum, use a slightly larger hook (1 or 1/0) and a live shrimp or mud minnow.

LARGE RIGS:

If you want to target adult red drum or other large species, you need to use large rods/reels and heavy weight line and hooks.

For adult Red Drum especially, DNR recommends using gear that ensure a quick fight and will minimize gut hooking. Use a 10 to 11 foot surf rod with a 3-6 ounce pyramid sinker and a 7/0-10/0 circle hook with a large piece of bait. Cut mullet or whole menhaden work well. Using larger gear will ensure a quick fight and keep these important fish from being gut hooked. Below are examples of (1) Red Drum rig for surf fishing and (2) Red Drum rig for boat fishing.

Fish Species	Bag Limit	Size Limit
Red Drum	2 per person per day	15-23 inch TL
Black Drum	5 per person per day	14-27 inch TL
Flounder	10 per person per day	>15 inch TL
Spotted Sea Trout	10 per person per day	14 inch TL
Sheepshead	10 per person per day	14 inch TL
Cobia	1 per person per day	36 inch FL
King Mackerel	3 per person per day	24 inch FL
Spanish Mackerel	15 per person per day	12 inch FL
Bluefish	15 per person per day	none
Pompano	none	none
Ladyfish	none	none
Croaker		none
Spot	50 per person per day aggregate bag limit	none
Whiting		none
Sharks	See regulations online, it is illegal to possess many shark species	

SEASONAL FISHING AND REGULATIONS:

You can surf fish any time of the year, but fall is one of the best times to fish in the low country. Almost every species is biting! Generally, summer is the best time to target flounder and pompano.

The chart provides the basic regulations on some of South Carolina's most popular fish. This list does not cover seasonal closures or all species you may encounter, and part of being a responsible angler is knowing your fish regulations. Check SCDNR's website or the "Fish Rules" App to see the most up to date and exhaustive regulations.

DNR recommends the use of non-stainless steel circle hooks when fishing in saltwater.

AN ORDINANCE

To Amend Sections: 86-214 (a) (16), 86-214 (a) (17), of the Town of Edisto Beach Code of Ordinances

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Town of Edisto Beach, South Carolina, in council duly assembled that Sections 86-214 (a) (16), 86-214 (a) (17), of the Town's Code be amended to read as follows:

Sec. 86-214 - Signs for which a permit is not required.

(a) A permit is not required for the following types of signs in any zoning district:

- (15) Fluttering ribbons, pennants, banners and similar devices displayed no more often than once per month on each lot and not displayed for more than 48 hours on each occasion;
- (16) Banners identifying events (bands, cooking events, specials) located at retail business establishments displayed between 8:00 am Friday and 4:00 pm the following Monday beginning Memorial Day and ending on Labor Day which do not exceed (30) thirty square feet in area and are located on the same parcel as the retail business establishment; and
- (17) The American flag, the State of South Carolina flag, collegiate, and civic organizations flags, and seasonal flags, all not to exceed five feet by eight feet each.
